CHA Provides Christmas Cheer at Centre81

Clydebank Housing Association (CHA), who owns and manages Centre81, a popular regeneration and community facility in Whitecrock, held a Christmas lunch for its older customers on Thursday 6 December.

50 regulars were treated to a delicious 3 course Christmas lunch, a glass of wine, coffee & mince pies, a raffle and a few games of bingo, all for just £7! CHA subsidised this from its 'Community Pot' which was topped up by the proceeds of its Centre81 Christmas Fayre held on 24 November.

CHA and all the staff at Centre81 would like to thank the Primary 7 class from Our Holy Redeemer's Primary School who came along and sang beautiful Christmas Carols to the diners.

Ali Mailey, Centre Co-ordinator, said, "It was a lovely day and everyone who attended thoroughly enjoyed themselves".

Additional info: Throughout the week, the centre runs IT, confidence, pre-access and keep fit classes, activities for young and old and much more. The centre also has a café and a community garden with community chickens. Centre81 facilities are available for individuals and organisations to hire and discounted rates are available to local community groups. Call Ali at the Centre for further details on 0141 533 7070.
