Dear Colleague,

We recognise the unprecedented challenges you face because of the Coronavirus pandemic and that you are working hard to deliver effective governance during this challenging time.

We have today published Advisory Guidance 'Coronavirus – advice for governing bodies' to support you as you navigate these challenges. Our Advisory Guidance covers our advice about issues and questions that have been raised with us by landlords, such as what to do if your governing body is unable to meet, if membership falls below the number required and if you are unable to hold your AGM. You can find our Advisory Guidance here:

<https://www.housingregulator.gov.scot/for-landlords/advisory-guidance/recommended-practice/coronavirus-advice-for-governing-bodies>

We will keep our Advisory Guidance updated as relevant issues are raised with us.

If you have any questions about this Advisory Guidance please contact your lead officer within SHR.

Thank you and stay safe.

Ian Brennan

Director of Regulation
