

The local community are advised to be aware of an increase in the number of vehicles around the development site for the duration of the construction programme, including large articulated lorries and personal cars belonging to site staff. Please remain vigilant and take extra care when you are in the vicinity of the site. CCG will install traffic management protocols to ensure that disruption to your day to day lives is kept to a minimum. This includes delivery times out with peak hours as well a strict working schedule to decrease noise levels during the day. We will do everything we can to minimise this disruption and apologise in advance for any inconvenience caused.

Should you wish to raise any questions or concerns, please contact our Site Manager via the details provided below.
