CCG

## ABOUT CCG

CCG is one of Scotland's largest privately owned construction and manufacturing companies, with a turnover of £168 million in the last financial year.

The Group employs over 700 staff which is spread across eight divisions. We also have a year-on-year commitment to youth training, currently employing 70 trade apprentices and over 30 trainees.

CCG will deploy our Construction division to manage this contract. The division has extensive experience across all industry sectors including private and social housing, student accommodation, industrial and commercial projects.

Through our experience in construction and the utilisation of modern techniques, we will be able to deliver the project promptly and with minimal intrusion on the local community.

## COMMUNITY

As a direct result CCG's involvement, we will be delivering a series of community benefit initiatives in the form of jobs, trade apprenticeships, programmes, work placements and curriculum support for schools.

## SCOPE OF WORKS

CCG (Scotland) Ltd is the main contractor for a new affordable housing development located at Queens Quay, Clydebank, where a total of 146 homes and 4 commercial units will be delivered on behalf of Cube (80), part of the Wheatley Group, Clydebank HA (37) and West Dunbartonshire Council (29).

Works commenced 16/03/2020 with completion expected spring-2022.

## SITE ACTIVITY

CCG has made good progress on-site over the autumn months. All foundations have now been completed and local community members will have noticed the installation of the steel superstructure which is due to complete in November.

During the November period, there will be a requirement for late working on site in order to achieve specified finishes to floors for the commercial units of the development, therefore, CCG would like to inform local community members of any potential increased levels of noise that will be generated on the 17th, 24th and 27th of November. CCG apologise in advance for any inconvenience caused. The site team will continue to progress activity until the Christmas holidays before shutting down from 23/12/20 until 07/01/21 with security operations in place during this time.

CCG would like to advise community members that there will be a continued increase in the number of vehicles moving to and from the site for the duration of the construction programme. This includes large articulated lorries and personal cars belonging to site staff - please remain vigilant and take extra care. CCG have site-based protocols in order to minimise the impact of the works on your day-to-day lives which includes a strict working schedule as well traffic management with deliveries undertaken out with peak hours wherever possible. We will do everything we can to minimise disruption and apologise for any inconvenience caused as a result of our activity. Should you want further clarification on our site operations, please refer to our Project Manager (contact info provided below).

## SAFETY

# ACCESS TO THE SITE IS STRICTLY PROHIBITED

## COMMUNITY ENGAGEMENT

CCG understand that engaging with the local community is important. For the duration of our time on-site, we will provide you with regular updates about our construction programme as well as informing you of any works that may impact your day-to-day lives including such things as parking restrictions or road closures. Should you wish to raise any questions or concerns relating to the construction activity, please revert to our Site Manager who is based at our site compound full-time Mon - Thur 8.00am - 5.00pm and Fri 8.00am - 4.00pm:
