Notifiable Events (a brief summary and procedure)

The Scottish Housing Regulator's Feb 2019 Guidance sets out the events that we must tell them about. It explains why the SHR has a regulatory interest in these events, what we must notify them about, and what they will do with the information we give them.

The lists below provide examples of the type of Notifiable event we must notify the SHR about. As a general guideline, Notifiable events are those that may:

- seriously affect the interests and safety of tenants, people who are homeless or other service users
- threaten the stability, efficient running or viability of service delivery arrangements or confidence of private lenders
- put at risk the good governance and financial health of the organisation
- Bring the RSL into disrepute, or raise public or stakeholder concern about the RSL or the social housing sector.

Examples of Notifiable Events

a) Governance and organisational issues:

- Any material change to the assurances and supplementary information contained in the RSL's Annual Assurance Statement
- The membership calls a special general meeting
- Removal of any governing body member by the RSL
- Resignation of governing body members for non-personal reasons
- The membership of the governing body falls, or is going to fall, to seven or below
- Serious complaint, allegation, investigation, or disciplinary action about a governing body member
- A breach of the RSL's code of conduct by governing body members
- Resignation or dismissal of the RSL's senior officer
- Severance payment to and/or settlement agreement with a staff member
- Serious complaint, allegation, investigation, or disciplinary action about the senior officer (see Appendix 3).

- The senior officer is absent (or partially absent) for an extended period of time
- Receipt of intimation that a claim has been submitted to an employment tribunal
- Major change or restructuring within the current RSL or group
- Plans to set up a non-registered subsidiary
- Potentially serious breaches of statutory or common law duties by the RSL, including equalities and human rights duties, whether or not these have resulted in the submission of a claim or a legal challenge
- Any legal proceedings taken against the RSL which may have significant consequences for the RSL in the event of success
- Serious failure of governance within an RSL's subsidiary
- Serious issue regarding a parent, subsidiary or connected organisation
- A dispute with another member of an alliance, consortium or non-constitutional partnership which may have significant consequences for the RSL
- Breaches of charitable obligations or no longer meeting the charity test
- Whistleblowing allegations

b) Performance and service delivery issues:

- Any incident involving the Health & Safety Executive or a serious threat to tenant safety; or where a regulatory or statutory authority, or insurance provider, has advised the RSL of concerns for example the Fire Brigade, etc.
- Serious accidental injury to, or the death of a tenant in their home or communal areas:
- where there has been a service failure by the RSL; or
- where there has been a failure, or perceived failure, in how the RSL has assessed and managed risk; or
- which could potentially affect other tenants' confidence in the RSL or the RSL's reputation
- Major failure of key service delivery arrangements (for example, repairs cannot be carried out because a contractor goes into liquidation)
- Breaches of ballot commitment to tenants or of any stock transfer contractual agreement
- Adverse reports by statutory agencies, regulators, inspectorates (or similar) about the RSL (for example a Care Inspectorate report with a 'weak' or 'unsatisfactory' grade or an upheld Care Inspectorate complaint)
- Any significant natural disaster for example, fire, flood or building collapse which affects the RSL's normal business
- Serious or significant adverse media reports or social media interaction, which could potentially affect tenants' confidence in the RSL or that is damaging to the reputation of the RSL

- Notification of the outcome of an adverse financial assessment of the RSL or its parent/subsidiaries/related companies/connected bodies from Pensions Trustees
- A serious or material reduction in the funding for care and support services for example for RSLs with significant care elements in their business, where a local authority withdraws funding
- Change of internal or external auditor

d) Additional issues that we require systemically important RSLs to notify us about:

- Any change in senior staff
