

Clydebank Housing Association welcomes PATH Trainees

Clydebank social housing landlord, Clydebank Housing Association (CHA), welcomed the recent opportunity to host an event with PATH Trainees.

PATH works to actively address the issue of underrepresentation of BME communities in housing and other professions. CHA's own PATH Trainee, Vallia Agbokuma, opened the event by discussing her placement and the wide range of activities and training undertaken within the organisation so far. Vallia then introduced a range of CHA staff to the Trainees and each went on to showcase all of the work CHA is doing for our customers in terms of tenancy sustainment, customer service, development, estate management and more.

Notes to Editor: CHA has been established in Clydebank for nearly 40 years and currently employs over 30 staff. Information on PATH can be found here: <https://pathscotland.org.uk/>.

Photocall: Enclosed. Lynette Lees, Chief Executive, pictured centre, with PATH Co-ordinator, trainees including Vallia, CHA's PATH Trainee, and CHA staff.
